

PROTEST

the VICE- PRESIDENTIAL DEBATES

**5 OCTOBER 2000 AT CENTRE
COLLEGE in Danville, KY**

Are you tired of the same old Tweedledum/Tweedledee politics? Have you had enough of wars, environmental destruction, sweatshops, sexism, and corporate exploitation sanctioned by a government that can barely disguise the fact that it no longer represents you? Then join hundreds of environmental, third party, Human rights, and other activists in protesting the so-called "debates" being held at Centre College in Danville, KY on 5 October. There will be a march followed by a rally and protest starting at 5:00 p.m. The Protest will probably end sometime after 11:00 p.m.

Convergence begins at 11:00 a.m. at Centre College
